Explanation Brand

The Brand consists of different shapes of a heart in different colours.

All these shapes together visualize the immune system and the different colours visualize the product scheme. In the centre of the Brand you see the shape of a heart. It symbolizes also the 7 Chakras, the state of the body

Why shapes of a heart?

Even the strongest immune system is of no use when the heart stops beating.

The products of ImunoPure strengthen the immune system and therefore the heart. That's why a heart keeps on beating longer.

A ImunoPure Life is a Healthy Life is a Longer Life.
